Constitutional Amendment No. 1

A “yes” vote will amend the Missouri Constitution to grant the General Assembly statutory authority to exempt all property, real and personal, used primarily for the care of a child outside of his or her home by general law. An assessing authority may be authorized by general law to exempt from the assessment, levy, and collection of taxes such portion of the property of such individual, corporation, organization, or association that is used primarily for such childcare.

A “no” vote will not amend the Missouri Constitution and childcare facilities will continue to be assessed, levied, and pay taxes.

If passed, this measure will have no impact on taxes.

Constitutional Amendment No. 4

A “yes” vote will amend the Missouri Constitution to allow the general assembly by law to increase the minimum funding for a police force established by the state board of police commissioners to ensure such police force has additional resources to serve its communities. Currently the only police force established by the state board of police commissioners is found in Kansas City, Missouri.

A “no” vote will not amend the Missouri Constitution regarding the funding for a police force established by the state board of police commissioners.

If passed, this measure will have no impact on taxes.
