City of Hayti Proposition for Mosquito Suppression and Control

Shall the Board of Aldermen of the City of Hayti, Missouri be authorized to increase the mosquito suppression and control assessment imposed upon each water bill issued by the City of Hayti from the current assessment of Fifty Cents (\$.50) per month to an assessment of Two Dollars (\$2.00) per month?

Fiscal Note: The City currently expends approximately \$23,250 annually for the professional suppression and control of mosquitos within the city. The current assessment generates approximately \$7,500, leaving a shortfall of approximately \$15,750. If approved, the proposed assessment would generate approximately \$28,800 for continuation of mosquito suppression and control programs. Without an increase in dedicated revenue, the city will be unable to continue to provide this service at the current level.
